

## RCISD Online Registration

Reagan County School District is excited to announce an online student registration will be available to all parents beginning **August 6**. The system is secure, which allows the district to verify and collect all information for your child prior to the start of the new school year. The system will also allow you to electronically sign the annual permission forms for school district policies. In short, this online process replaces all the paper student registration and permission forms that your child brings home on the first day of school.

Watch for a letter/email from RCISD with instructions on how to access the system for your student. The email will contain a link, instructions and a secure “snapcode” that links directly to your student’s information. You will create an account, that you will use each year for this process, and submit a form for each student in your family. To make the process easier for families with multiple students, you will have the option to copy all family information to all other students in your family.

Please complete these forms as soon as possible after receiving the letter/email. Your student’s registration will not be complete until the forms have been submitted. If you do not have access to the Internet, the school’s computer labs will be available for your use. The High School lab will be open August 7 from 10:00am-12:00pm, August 11 from 10:00am-12:00pm & 6:00pm-8:00pm and August 12 from 6:00-8:00pm. The Middle School Computer lab will be open August 7 from 6:00pm-8:00pm, and August 12 from 10:00am-12:00pm. RCISD staff members will be on hand to answer any questions and assist in with filling out the registration forms. If you have any further questions, please contact the Central Office at 884-3705.
