

Reagan County's Notice:

Reagan County ISD, Reagan Co. Elementary, and Reagan Co. Middle School are hoping to gather parent and community input as we create our campuses Turnaround Plans. We are writing plans because our elementary and middle school campuses are currently ranked Improvement Required by the TEA. Reagan Co. Elementary is in its 3rd year and Reagan Co. Middle School is in its 2nd year of this designation.

Forms for input are available in the front office of Reagan Co. Elementary School and Reagan Co. Middle School. Please stop by between **January 28 and March 18** to share your thoughts with our schools and the district.

We appreciate your input as we plan.
